Hi Sequoyah-

Sorry I wasn't able to get back to you earlier this week. [REDACTED]

Otherwise, I think the memo and the letter are well-reasoned and well-written. A few minor typos but you said you were still clearing those up.

Attached is a draft response to the Tejon Indian Tribe. The Tribe requested either to be recognized under the IRA or for its federal status to be reaffirmed because of an administrative error by the DOI. Also attached is a memo that [REDACTED]

Can you both take a look and give feedback on the draft response letter ("Tejon Reaffirmation 12.11")? [REDACTED]

[REDACTED] I have the information that the Tribe submitted and have attached to this e-mail some of the federal documents that are referred to in [REDACTED]

[REDACTED] Any feedback would be greatly appreciated even if we can just have a conversation in the next day, so thanks in advance for your time. Thanks for reading through the typos that still may be in the letter.

Paul, after Liz and Dion give their input, would you like to send a version of the response letter to the OFA, PAC Region and the BIA Indian Services? Before any draft gets distributed internally, could you talk directly with Patrice about how SOL will review? Within SOL, I think Maria and Mike may need to be added for the next version but of course defer to Patrice and Paul. Until then, I am keeping the distribution list just to the people on this e-mail. Thank you everyone for maintaining the A-C privilege.

Thanks.
